ACADEMIC EXCELLENCE

Bubb School will administer the California Standards Test (CST) to students in grades 2 through 5 from April 28th through May 8th. The purpose of the CST is to determine how well your child is achieving the California Content Standards. We ask you, Bubb parents, for your support in preparing your student for the California Standards Test. Please make sure your child gets a good night's sleep and has a healthy and filling breakfast. Have your child at school on time as children who arrive late will not be allowed to go to class and will take a make-up test. We ask that you do not schedule medical or dental appointments during this time. Our students are knowledgeable and capable and we have no doubt they will perform well on these assessments.

STRONG COMMUNITY

Once again, Williamsbubb was a highly successful reenactment of colonial days. Students role played characters in our nation's history and imparted information about concerns of the day. Classrooms from throughout the school visited Williamsbubb, enjoying marching, costumes, food, and discussions. An event this big would not be possible without the support of many parents and community members. Many thanks to teachers Adria Goad, Robert Poling, and Kathy Hall for providing this unique opportunity for our 5th grade students.

INTERNATIONAL POTLUCK

Our second annual potluck was a great success bringing together over 120 Bubb parents children, and staff. Delicious food from around the world and dance performances were enjoyed by all. Special thanks to Angela Gonzalez, our PTA language liaison for coordination of this popular community event.

Lights, Camera...Action! That's a WRAP!

Box Office Smash Hit "MVEF Monte Carlo Night and Silent Auction" breaks all records in its one-night-only, almost SOLD OUT show! The critics are calling it "The event of the year!" Final numbers coming soon! Many Cast and Crew to thank, see attached for production credits.

Congratulations to the winners of the raffle prizes, the sellers who sold the winning tickets, and our raffle chair, Amanda Kelly, who sold the most tickets!

1. Big Screen TV - Margaret Capriles - sold by Mary-Theresa MacDavid, Castro
2. Night at the Garden Court Hotel - Adrienne Heiskanen, sold by Lorraine Kostka, Monta Loma
3. Apple iTouch - Kristi Dees, sold by Tracy Greene, Landels

Family Math

Answers to last week's problems- 1. The cat would sleep 1,785 minutes in a week. 2. 36/52 or 9/13

1. Tigers like to swim. If a tiger could swim at six miles an hour, how long would it take the tiger to swim 123 miles?

2. Barbara found that the best way to pack her rock collection was to place one rock in each of the 12 sections of an egg carton. How many cartons will she need for packing 48 rocks?

Attention all parents – surveys have arrived!

Please look for the large manila envelope sent home today with your student. In the envelope, you will find a letter explaining the survey, the survey questions, and an answer sheet. We want to hear YOUR opinion about the quality of our schools and your satisfaction with the education your child is receiving. Again this year, you will have the option of completing the survey online or on paper. Look for the survey link at the bottom of our District's web page at www.mvwsd.org. If you complete the survey on line, please return the blank paper survey to school and note that you completed the survey online. If you need assistance completing the survey, staff will be available to help you either on Tuesday, April 28, 6:30 – 8:00 p.m. at Castro School or Thursday, April 30, 6:30 – 8:00 p.m. at Landels School. Thank for you your time. We value your opinion.
