## **PHYSICAL FITNESS**

All 5th grade students are currently working toward their own personal fitness goals in Physical Education Class. The Annual California State mandated FITNESSGRAM will be in April 2009. It consists of 6 tests: sit-ups, push-ups, shoulder stretch, trunk lift, mile run, and height and weight measurements. We encourage parents to get involved and support your student's fitness goals for the test! We want all students to have a healthy, motivated and active lifestyle by having them do least 1 hour of daily exercise along with healthy eating habits. For more information take a look at Parents frequently asked questions (FAQs) at

[www.fitnessgram.net](http://www.fitnessgram.net). If you have any other questions please contact Lori Henderson the 4/5 Physical Education Teacher.
